\$350 **PEDO/CHILD EXTRACTION FORCEP SET**

HIGH PRECISION: Children's Teeth Extracting dental forceps are carefully designed, each tip is tailored to the tooth's shape, and pressure can be applied directly to the tooth.

ACCURACY: This 7pc child extraction forceps set has a suitable jaw for precise bite and extraction.

NON-SLIP HANDLE: These child extraction forceps have a small shape and a bumpy pattern on the handle, which plays a non-slip effect and reduces fatigue over long hours.

STAINLESS STEEL: These Extraction forceps are made of high-quality stainless steel with a highly polished surface. It is corrosion-resistant and easy to open and close.

PORTABLE PACKAGING: The professional tooth extraction forceps set is beautifully packaged, and each plier can be fixed to protect them from damage—lightweight, easy to carry, and store.
